Specific skills of the teacher like preparation for the classes, punctuality in taking the classes, planning of curriculum and completion of syllabus in time etc.

The other areas which cover the feed back form are subject knowledge, communication skills and use of modern ICT tools in teaching. The feed back form also consists of how the teacher motivates group discussion, essay writing and developing leadership qualities among the students. Educational guidance, counselling and transparent evaluation of internal examination/ assignments are also included as a part of student appraisal of teacher.
